Toldeo Scale Labels

For Use in Mettler Toledo Label Printing Scales

LSi does not sell or service Mettler Toledo Scales, or any other quality scale brands. However, Label Specialties, Inc. has specialized in manufacturing scale labels in order to support label printing scales, including Toledo scale models since 1980.

LSi manufactured Toledo labels have been used in thousands of Toledo scales for the purpose of labeling retail bakery, deli, cheese, meat, fish and other seafood, poultry, and produce packages found throughout the US and in other countries.

As a leading, nationally recognized scale label manufacturer for three decades, Label Specialties, Inc. continues to maintain a leadership position in providing premium quality Toledo scale labels to small, medium, and large customers nationwide and in other countries.

Over 1,800 distributors and other label customers throughout North America can attest to our industry leading prices on Mettler Toledo and other scale label brands.

Our quality and prices are indeed reflective of our reputation.

Label Specialties, Inc. manufactures both custom and stock Toledo scale labels, and LSi maintains a large inventory of popular stock Toledo labels and other scale label brands, allowing LSi to service customers with same, or next day shipping capabilities.

Warranty

LSi Toledo scale labels are produced using **premium** direct thermal papers. The direct thermal material is coated with a standard supermarket grade adhesive displaying a service range of -60°F to +150°F and a suggested range for applying the labels is between +25° and standard room temperature.

Our supermarket adhesive is designed for adhering to both **refrigerated** and **non-refrigerated** retail food packages and our base materials meet, or exceed O.E.M. specifications.

Label Specialties, Inc. guarantee our labels will perform as designed.

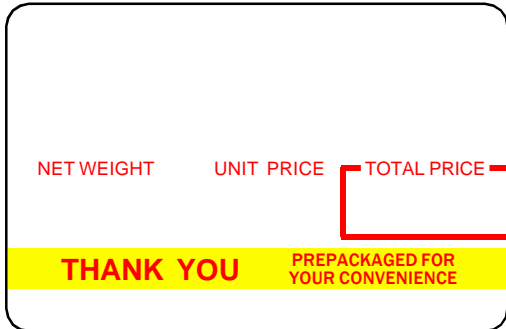

LSi does not publish prices on the Internet, so for pricing or additional information please [contact LSi](#)
